

Short Description:

Fashionable Comfortable Jacket for Men with Stretchy Fabric

Product Introduction:

The new design jacket in second half of 2020. It's a softshell jacket for men, we have 2 different colors: blue and green. If you have your own design for color and style, you can also send us your idea.

Reflective printing on front and back for safety and decoration. Inside of the collar is polar fleece, that provide a warm and comfortable touch for neck. To keep the wind outside, there has an inner windproof flap under front zipper. It can also protect your chin when you pull the zipper to the top. And we also add elastic string with stopper on hood, you can adjust the tightness as you like.

Rib material on bottom and cuff can fit your body more. On side panel of the jacket, we used 2 pieces contrast color fabric. 3 zipper pockets on chest and bottom, you can put your mobile phone or wallet in it.
